## So **ALL** Kids Can Play!

We believe that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sports. KidSport™ provides support to children in order to remove financial barriers that prevent them from playing organized sport.

### How does KidSport help?

- KidSport provides grants to children from families facing financial barriers so they can participate in registered sport programs.
- KidSport supports programs that provide the child with a sustained sport experience led by qualified instructors.

### Who is eligible to receive a KidSport grant?

- Families that are on a low income, unemployed, on AISH, currently receiving income support through provincial government are all considered eligible.
- KidSport considers social and economic barriers facing the child's family when determining eligibility.
- Grants are for children and youth 18 years of age and under.

### What does a KidSport grant cover?

- KidSport Drumheller provides financial support up to \$300 per child per calendar year (Jan.-Dec.) towards sport registration fees.

### What are the funding arrangements?

- KidSport issues funds directly to the sport organization or community association on behalf of the child.

### When is the deadline to apply?

- Please submit your application immediately following registration in the sport program as funds are limited.
- Programs that are complete are not eligible for funding.
- Refunds for fees already paid by the family must be arranged separately with the sport club.
