We believe that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sports. KidSport™ provides support to children in order to remove financial barriers that prevent them from playing organized sport.

How does KidSport help?

- KidSport provides grants to children from families facing financial barriers so they can participate in registered sport programs.
- KidSport supports programs that provide the child with a sustained sport experience led by qualified instructors.

Who is eligible to receive a KidSport grant?

- Families that are on a low income, unemployed, on AISH, currently receiving income support through provincial government are all considered eligible.
- KidSport considers social and economic barriers facing the child's family when determining eligibility.
- Grants are for children under the age of 18 years.

What does a KidSport grant cover?

- KidSport Vermilion provides financial support up to \$200 per child per calendar year (Jan.-Dec.) towards sport registration fees.

What are the funding arrangements?

- KidSport issues funds directly to the sport organization or community association on behalf of the child.

When is the deadline to apply?

- It's best to submit your application to KidSport as soon as you register your child in the sport program.
- Programs that are complete are not eligible for funding and KidSport cannot reimburse the family for fees already paid to the sport organization.
